

Annual Report 2018

- We started the year with an 'Art Challenge' badge. We got to paint pottery, create collages, make something for a friend, and make something that celebrated an event.
- In February we celebrated 'World Thinking Day' by having a joint meeting with 4th Fleet URC Brownies, where we learned about girls from different countries and said our Promise by candle light.
- In March we went for a walk through the woods at Fleet Pond to find natural materials for our art challenge. We created art at Sandy bay.
- We had a 'Trolls' themed sleepover. The girls loved staying away for a night – it's a big adventure for 5-7 year olds. They got to go for a 'Troll Hunt' in the park, and enjoyed toasting marshmallows over a real fire!
- The girls were keen to sponsor a Panda, and decided to do a sponsored silence. They managed to raise £125, and sponsored a Panda, a Leopard, and Elephant, a Penguin and a Polar Bear.
- After returning from the Easter holidays, we started our 'Global Adventure' badge. We spent the term visiting countries in different continents. We got to do some hieroglyphics in Egypt, play some Baseball on 4th July, and we even had a chef that came to visit us to make some real pasta when we visited Italy.

- We had a team building evening, where the girls had to work in teams to complete tasks such as lifting cups with string, completing a string assault course without touching the strings, and a blindfold challenge.

- In September we started our 'Crime Prevention' badge. The girls were keen to learn what kind of people work for the police. We were even visited by a MET Detective and an Intelligence Analyst.

- We went for a walk around Fleet Town Centre to look at which buildings had burglar alarms on them, and also to see if the people of Fleet were good at crossing the road safely and putting their rubbish in the bins.

- We joined the Fleet Remembrance Parade in November, and one of our Rainbows was chosen to lay the wreath for Girlguiding Fleet. The Rainbows love taking part in the parade.

- We finished the term with the Fleet District Carol service. The theme was 'The Food of Christmas' and we represented Candy Canes. We did a play to show the audience how Candy Canes were invented and we got a large round of applause.

- 2018 saw us enrol 7 girls in to the unit, and send 7 onto their next adventure with Brownies.
