General Election 4 July 2024

Helen is helping to organise an election event in Fleet later in June, to which all the candidates standing for our North East Hampshire constituency will be invited. When we have a date and venue we hope everyone will come to hear from them all!

To vote in the election, you will need to be registered and have photo ID. You can vote by post or appoint a proxy if you are unable to vote in person. There is a poster on the vestibule noticeboard with more information on all this. All the requirements are available via the internet, but if that is difficult for you, if you are not online or if you are hesitant using computers, then please contact Helen, as help is available.

Fleet URC takes the welfare of all members of our community seriously, and we aim to provide a safe, caring and Christian environment with a friendly and happy atmosphere. If you have any concerns or worries about your or another person's situation, please see Grace Bagshaw (Safeguarding Coordinator) or any of the Elders. Our Safeguarding Policy is available to view on the church website (fleet.urc.org.uk) and on the vestibule notice board.
